MOTOR HORSEPOWER ON TISBURY GREAT POND

STM 27 October 1976 - Book 3 p. 206

The horsepower of motors on Tisbury Great Pond shall be limited to ten horsepower, provided that any motor in excess of ten horsepower now used on the pond may continue to be used for the life of such motor but not be replaced by one exceeding ten horsepower. The foregoing horsepower limitations shall not apply to motors used by persons actively engaged in commercial fishing or shellfishing or used by the shellfish warden, deputy wardens and constables in the performance of their duties.

Pending action by the Town of Chilmark and the Director of the Division of Marine and Recreational Vehicles.
